

Why changing you old door phone or video door phone? **CallMe adapts perfectly: less costs and more comfort.**

CALLME MANY ADVANTAGES IN A SINGLE CHOICE

COMPATIBLE WITH ALL 2VOICE INDOOR STATIONS, KITS 1722/81, 1722/83, 1722/85 AND ANALOGUE 4+N AND COAXIAL SYSTEMS

IT DOES NOT REQUIRE THE REPLACEMENT OF THE OLD DOOR PHONE OR VIDEO DOOR PHONE

IT ALLOWS FORWARDING THE CALL TO UP TO 4 MOBILE DEVICES

IT ALLOWS INTERCOM CALLS TOWARDS THE MOBILE DEVICE

IT ALSO FEATURES A RJ45 PORT FOR WIRED CONNECTION AS AN ALTERNATIVE TO WI-FI CONNECTION

CallMe is compatible with all Urmet 2Voice video door phones and door phones, both 4+N analogue and coaxial.

To enable the call forwarding function you do not have to replace your video door phone, but you simply need:

- 1 Install the CallMe device
- 2 Download the App and use it straight away

CallMe is simple and easy to use for everybody. Download for free the special **Urmet CallMe App** and use your **smartphone** or **tablet** to see who rings your video door phone and decide whether you want to open.

BEING AT HOME OR NOT IS NO LONGER A PROBLEM

Because wherever you are
you are always at home

With CallMe you know who rings the doorbell directly from your smartphone

Available for Android and iOS

URMET IS IN YOUR LIFE

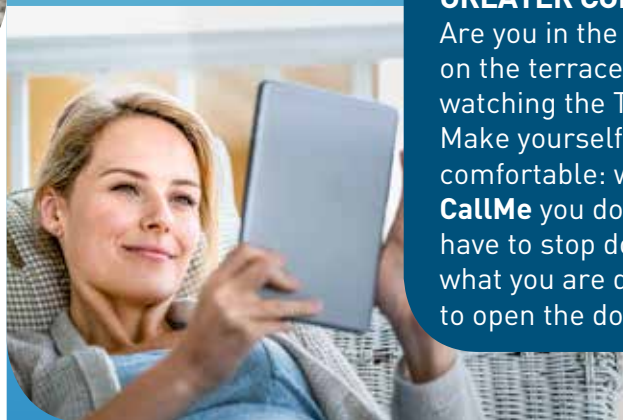

CALLME MAKES YOUR LIFE EASIER EVERYDAY.

Thanks to **CallMe** you live and move with complete **freedom** and **peace of mind** without losing sight of what is going on at home. **CallMe** is the **solution** you were looking for; a small device, a great help that every day, under any circumstances, ensures:

Are you away from home for business or holiday? **Don't worry about who rings the doorbell: CallMe always tells you who is there. CallMe is the exclusive latest Urmet product** allowing you to answer the door phone or video door phone and open doors and gates directly from your smartphone or tablet.

GREATER COMFORT

Are you in the garden, on the terrace or watching the TV? Make yourself comfortable: with **CallMe** you do not have to stop doing what you are doing to open the door.

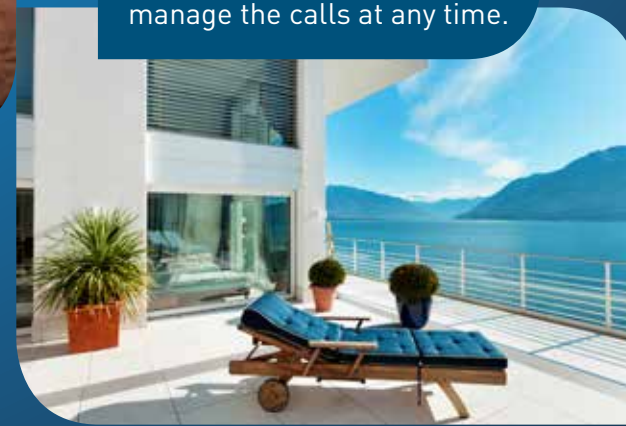

GREATER CONVENIENCE

Is there a parcel for you and you are not at home? With **CallMe** you can speak with the courier and arrange a new delivery or open the door to leave the parcel to a neighbour.

MORE POSSIBILITIES

Have you got a second house? With **CallMe** you can check who rings the doorbell and manage the calls at any time.

GREATER SECURITY

Have you left elderly people at home? Don't worry: **CallMe** allows you to control who rings the doorbell and answer in their place. In addition, they can call you on your smartphone without having to look for your mobile number: they simply have to press the key on the door phone to contact you.
